TRANSMITTAL LETTER/REQUEST FOR PTO-1449

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

On June 16, 2004 undersigned attorney hand carried an IDS along with a Form PTO-1449 and copies of the references set forth in the PTO-1449. Attached hereto is a copy of the IDS, the PTO-1449 and the dated postcard receipt less the references. It will be clearly seen that the postcard receipt, which is definitive, clearly indicates that the Disclosure Statement, copies of the references and the European Search Report were received by the PTO on June 16, 2004.

There was a telephone discussion with Examiner Levy on September 24 at which time Examiner Levy said he would fax the PTO-1449 received June 16, 2004. Not receiving the PTO-1449 there

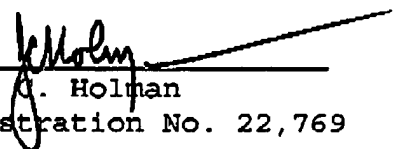

was a further telephone discussion on September 28 at which time Examiner Levy explained that the IDS was not considered because "the European Search Report was not submitted".

As clearly seen from the attached date receipted postcard the European Search Report was submitted and if lost, it was lost by the PTO. Attached hereto is the IDS, European Search Report and the PTO-1449 and since the Examiner has the references and now has the European Search Report which was mailed April 16, 2004, within three months of the filing of the IDS, early receipt of the Form PTO-1449 is requested.

Respectfully submitted,

JACOBSON HOLMAN PLLC
